PRE WIRED VICTRON BOARDS

We specialize in pre-wired Victron boards, customized to your specific off-grid needs. As experienced off-grid electricians, our workmanship reflects our industry expertise, and we back our boards with a 5-year warranty

NEW 200W MONO PANEL

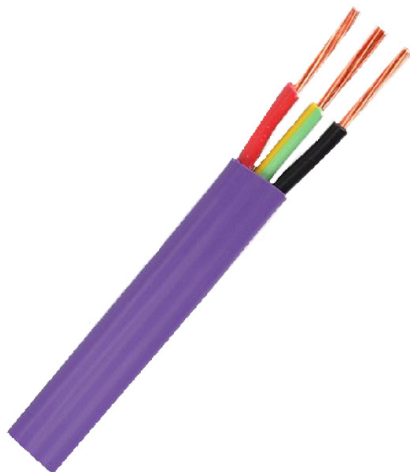

Made for Australia

Our 200W monocrystalline solar panel is specifically designed for Australian caravans, combining cutting-edge technology with a compact footprint. Measuring just 1480mm in length, 670mm in width, and only 35mm thick, it delivers top-tier performance while taking up minimal space. This allows you to fit more panels on your caravan roof for maximum energy efficiency.

Caravan downlight

Our downlight features an increased number of LEDs for brighter illumination, all while maintaining a compact and modern design.
